AVENUES RECOVERY CENTER

AT **Fort Wayne** offers the most patient-centered clinical treatment available. The Avenues Recovery team is exceptionally qualified for the most at risk and vulnerable, staffed with a full-time physician, psychiatrist, and licensed counselors. Our case managers will address any legal, family, or FMLA complications, and most of all focus on workforce reentry.

Our goal is to improve the physical, mental, and emotional well-being of each client.

PROGRAM OVERVIEW

- 100-bed detox and residential drug and alcohol rehabilitation center
- Staffed with a team of expertly trained clinicians, licensed therapists, doctors, and addiction psychiatrists
- Co-occurring mental health and substance abuse disorders, trauma, and family services
- Wide range of evidence-based practices
